INFORMATION FOR APPLICANTS

HISTORY

Founded in 1876, Edgbaston High School for Girls (EHS) is the oldest independent day school for girls in Birmingham. The School site is very pleasantly situated next to the Botanical Gardens in the leafy suburb of Edgbaston, 1½ miles from the city centre. Continuity of education is a key feature of EHS, but girls can join at different stages of their academic career.

GOVERNANCE

The Council, which is the School's governing body, actively supports and encourages the work of the School. In the last decade over six million pounds have been spent on major development and refurbishment programmes.

MODERN AND AMBITIOUS

Pupils enjoy a broad-based programme which substantially fulfils the requirements of the National Curriculum and extends beyond it. Examination results are very good with high grades distributed across both Science and Arts subjects. Staff and parents work closely together so that each girl can develop her individual gifts to the full.

SCHOOL SITE AND FACILITIES

Pupils' education at EHS is supported by superb academic facilities in our 14 acre site – from our modern classrooms and science labs to our ICT suites and libraries. We also provide excellent facilities for a wide range of creative and sporting activities, including:

PUPILS

Edgbaston High School has approximately 870 girls aged 2 to 18 across its Pre-Prep, Preparatory, Senior and Sixth Form Departments. Around 500 of these are in the Senior Department. The School attracts girls both from the immediate neighbourhood and all over the West Midlands. They come for the high academic standards, the lively programme of co-curricular activities and for the individual attention and flexibility of approach.

MFL DEPARTMENT

Curriculum

Modern languages are a vital component of a school curriculum, offering the students a comprehensive series of valuable experiences which cover many areas of learning both in and beyond the curriculum, as well as many cross-curricular links. The MFL department is well resourced and we encourage pupils to explore Foreign Languages beyond the classroom with a wealth of trips, extra-curricular clubs and participation in competitions within school and externally. We also offer support clubs and revision sessions.

Through our teaching, we aim to:

- Provide enjoyment and intellectual stimulation in language learning.
- Develop each pupil to their maximum potential in the use and understanding of Modern Foreign Languages at a level appropriate to the learner's experience and needs.
- Encourage and model good practice in the effective acquisition of language skills.
- Develop pupils' ability to understand and use language effectively for the purposes of practical communication.
- Develop pupils' ability to use language imaginatively and creatively.
- Develop an understanding of the grammar of language.
- Encourage pride in successful linguistic achievement.
- Offer insights and promote an understanding and appreciation of the cultures and ways of life of other countries.
- Develop a sound base of language skills and an attitude required for the use of languages in further study, work and leisure.
- Promote skills which have a wider application such as independent learning, using information technology and skills such as analysis, memorizing and drawing inference.

Foreign Language Assistants

We currently employ a Foreign Language Assistant for each of our core languages, French, German & Spanish. The main role of the FLAs is to give pupils - both individually and in small groups - regular, structured contact time with a native speaker. In so doing, they give valuable guidance in pronunciation and intonation, encourage the idiomatic use of language and make a major contribution to preparation for GCSE and A level speaking tests. They bring the reality of contact with speakers of other languages into the daily lives of our pupils.

The Foreign Language Assistants also help members of staff and pupils in numerous other ways. Through them the Department keeps up-to-date and in constant contact with both the evolution of the languages and the cultures which they represent.
