INFORMATION FOR APPLICANTS

HISTORY

Founded in 1876, Edgbaston High School for Girls (EHS) is the oldest independent day school for girls in Birmingham. The School site is very pleasantly situated next to the Botanical Gardens in the leafy suburb of Edgbaston, 1½ miles from the city centre. Continuity of education is a key feature of EHS, but girls can join at different stages of their academic career.

GOVERNANCE

The Council, which is the School's governing body, actively supports and encourages the work of the School. In the last decade over six million pounds have been spent on major development and refurbishment programmes.

MODERN AND AMBITIOUS

Pupils enjoy a broad-based programme which substantially fulfils the requirements of the National Curriculum and extends beyond it. Examination results are very good with high grades distributed across both Science and Arts subjects. Staff and parents work closely together so that each girl can develop her individual gifts to the full.

SCHOOL SITE AND FACILITIES

Pupils' education at EHS is supported by superb academic facilities in our 14 acre site – from our modern classrooms and science labs to our ICT suites and libraries. We also provide excellent facilities for a wide range of creative and sporting activities, including:

- Swimming Pool, equipped gym and fitness suite, dance studio, floodlit astroturf, athletics track, cricket square, outdoor courts and sports pavilion
- Art studios including graphic design, printmaking, ceramics and fine art facilities
- Fully equipped food preparation rooms
- DT and textiles studios with cutting-edge CAD/CAM devices and sewing machines
- Purpose-built Music School
- Drama studio
- The Octagon - a large, purpose-built theatre seating up to 600 people, with full AV and lighting
- School allotment

PUPILS

Edgbaston High School has approximately 870 girls aged 2 to 18 across its Pre-Prep, Preparatory, Senior and Sixth Form Departments. Around 500 of these are in the Senior Department. The School attracts girls both from the immediate neighbourhood and all over the West Midlands. They come for the high academic standards, the lively programme of co-curricular activities and for the individual attention and flexibility of approach.
